SANTA CLAUS

Santa Claus delivers toys to “good” boys and girls on Christmas Eve. Santa Claus lives at the North Pole and oversees a toy workshop run by busy elves. Each December 24th, on the eve of the celebration of the birth of Jesus, Santa flies around the world delivering his toys in a sled pulled by eight reindeer: Blitzen, Comet, Cupid, Dancer, Dasher, Donder (or Donner), Prancer, Vixen and a ninth reindeer with a shiny red nose, Rudolph.

The name Santa Claus was derived from *Sinterklaas*, the Dutch term for the ancient Christian figure of Saint Nicholas. St. Nicholas was born in 280 AD, in Patara, a city of Lycia, in Asia Minor. He became the gift giver of Myra. His gifts were given late at night, so that the gift giver's identity would remain a secret. St. Nicholas was eventually named the patron saint of children, sailors, Russia and Greece.

St. Nicholas was a Christian priest, who later became a bishop. He was a rich person, and traveled the country helping people, giving gifts of money and other presents. St. Nicholas did not like to be seen when he gave away presents, so the children of the day were told to go to sleep quickly or he would not come! Nothing has changed and Santa Claus will not arrive this Christmas unless the children go to sleep early.

A famous story about St. Nicholas, is about a poor man who had no money to give to his three daughters on their wedding day. St. Nick dropped bags of gold into the stockings which the girls had left to dry by the fire. The sisters found the gold and ever since, children have hung up stockings on Christmas Eve hoping that they will be filled with presents by Christmas morning.

Local area school children listen to Mrs. Claus read Christmas stories to them at the OFTC. Each student was given a book by Dublin Rotarians as they returned to school. The students also enjoyed a tour of the Festival of Trees.
