**Cardiac Rehabilitation**

Fairview Fitness Park offers a cardiac rehabilitation program that is the bridge that links cardiac patients to a productive life after a heart event. With a supportive medical and allied health staff, our program incorporates education, counseling and exercise to help you reach your optimal level of well-being and self-sufficiency. Cardiac rehab is designed to complement your physicians care and his or her referral to our program is essential.

**Early Outpatient Cardiac Rehab**

Your program may include educational sessions, aerobic & light weight training exercises such as:

- Walking on a treadmill
- Riding a stationary bike
- Stair climbing
- Riding the NuStep machine

**APRIL IS ROTARY MAGAZINE MONTH**

Not too long ago, the telegram was the way to communicate internationally. The telegram was replaced by the telex machine, which was followed by the facsimile. Now the Internet is the way of daily communication. Yet newspapers, books, and magazines are difficult to replace.

*The Rotarian* is our official magazine and a good source of information. We can read about Board decisions, upcoming events, possible changes within the administration, and projects from all over the world. According to our *Manual of Procedure*, the purpose of the official magazine shall be to serve as a medium to assist the Board in furthering the purpose of RI and the Object of Rotary.

The family of Rotary extends beyond individual Rotarians and Rotary clubs to include other service-minded people who help with the organization's work. Groups such as Rotaract, Interact, and Rotary Community Corps serve side by side with sponsor clubs, using their diverse skills to improve the quality of life in their communities.
