CAL WRAY

The Laurens Baptist Association and the Grady County Baptist Association recently completed a mission trip to Tikvhin, Russia to help establish a youth program for the local Baptist church. Six members (3 each from Grady and Laurens County) took part in the mission. The team feels that many successes were created by the trip which was able to minister to 35+ children and 15+ volunteers on a daily basis. The group also had opportunities to visit with other Baptist Groups and non-believers during the 10 day trip. Thanks to the generous support of the Dublin Rotary Club, we were able to provide many arts, crafts, and games to the children who otherwise would never have had the opportunity to experience these types of activities. The group was also able to share the Bible with these children.

September is World Alzheimer's Month!

This is the first year that a month has been designated to raise awareness of Alzheimer's disease. September is also the month that CART releases its call for grant letters of intent for 2012 funding. Last year a record number of letters of intent were received from renowned researchers across the United States. Our clubs will help determine the number of grants that can be awarded in 2012. What a great month to make a commitment to filling our blue buckets each week.

According to the World Alzheimer Report 2010:

- *35.6 million people are living with dementia worldwide
- *The total estimated worldwide costs of dementia re \$604 billion
- *Dementia care costs around 1% of the world's gross domestic product (GDP)
- *If dementia care were a country, it would be world's 18th largest economy (ranking between Turkey and Indonesia).
- *If dementia care was a company, it would be the world's largest by annual revenue, exceeding Wal-Mart (\$414 billion) and Exxon Mobil (\$311 billion).
